

Extra Mile

Intro: If we have the poverty mentality, we will always go for 'saktos', 'budget pack', 'freebies'.

It is natural to think about this - always thinking of "what I could get", if we have the 'consumer mindset'.

But if we want to develop the "successful and honorable entrepreneur mindset", we would always want to consider our customers, our clients and the community that we serve, thus we desire excellence by going and doing

Extra Mile

Catch: The will to win, the super desire to succeed and the love for God are the keys that will unlock the door of personal excellence.

Matthew 5: 38, 39, 41

God's radical love pushes us towards excellence. But we can't attain excellence without going an extra mile.

Ecclesiastes 9:10a

Progress is impossible without passion for excellence.
